

Wedding Ceremony & Reception

Guest Information

Daytime Guests – Enter via the Husborne Crawley Entrance (see map) and follow the yellow Safari Lodge signs going straight ahead until you reach the deer enclosure where you turn left and follow the signs directing round to the car park. There will be a member of staff along the route to point you in the right direction. **Please arrive 30 minutes prior to the ceremony time!**

Evening Guests – Enter via the Star Lodge gate in the Deer Park (see map.) The exit barrier will be pinned back for evening access and you drive up the single track lane to the gate where you will find a security staff member in a Land Rover to assist with directions to the car park.

Please Note – putting “Woburn Safari Park” into a Satnav will automatically take you to the main entrance so please ensure you use the correct postcode detailed on the map.

End of the Evening – The finish time will be midnight. You may leave your vehicle in the car park overnight, however you **MUST** log your registration with the bar staff for security purposes. They will give you a ticket to permit you entry the following day to collect your car.

Taxis - Please pre-book your taxi home as we are in a remote location and ordering a taxi at midnight on a weekend can sometimes mean a wait of up to 1 hour!

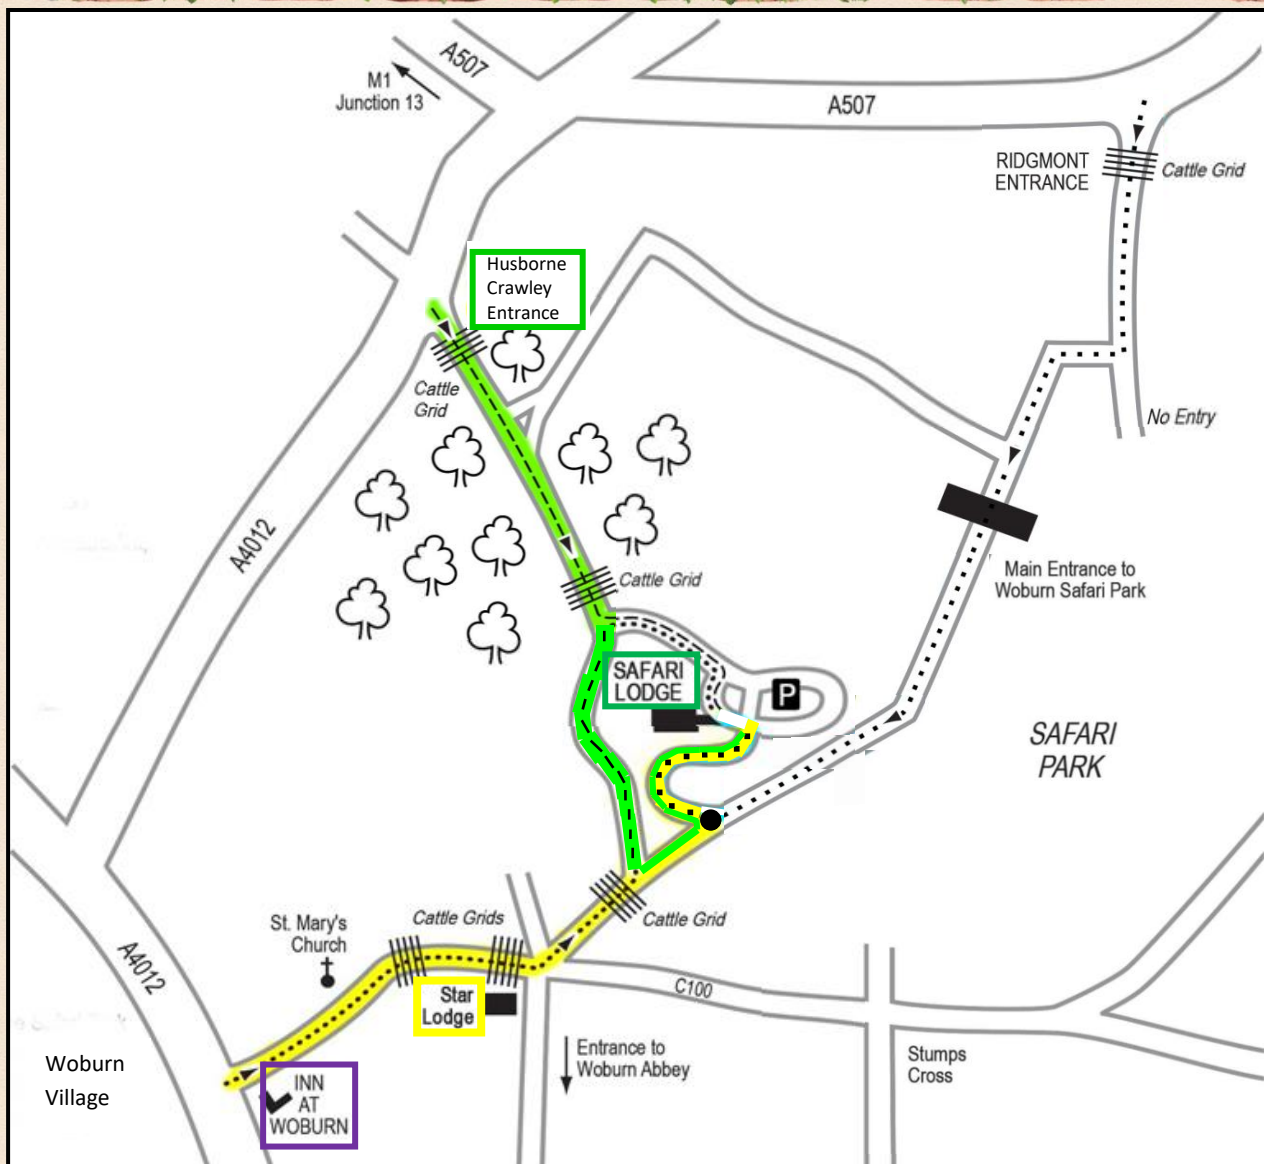

For any one collecting in the evening – access is via the Star Lodge Gate.
