All talks and demonstrations are subject to weather and light conditions. Woburn Safari Park reserves the right to alter times on any given day for animal welfare or health issues. If this is the case, then we will try to replace the activity with another similar event. Daily talks, feeding times and demonstrations last approximately 10 to 20 minutes.

* There is an additional £2 charge for Sea Lion Cove. Payments are by cash only on the door at Sea Lion Cove and are first come, first served. Payment by card can be made at Junglies Gift Shop no. 28 on your map. The elephant talk only runs at weekends and during Bedfordshire school holidays.

All walkthrough enclosures open at 10.45am and close 30 minutes before the Park closes, except for Farmyard Friends which closes 1 hour prior to Park closure. The Discovery Zone is open 10.45am to 4.00pm.
