All talks and demonstrations are subject to weather and light conditions. Woburn Safari Park reserves the right to alter times on any given day for animal welfare or health issues. If this is the case, then we will try to replace the activity with another similar event. Daily talks, feeding times and demonstrations last approximately 10 to 20 minutes.

* There is an additional £2 charge for Sea Lion Cove. Please go to Junglies Gift Shop no. 28 on your map (weekdays) or the Trading Post no.15 (weekends & school holidays) to buy tickets. Tickets are first come, first served.

The elephant talk only runs at weekends and during Bedfordshire school holidays.
