All talks and demonstrations are subject to weather and light conditions. Woburn Safari Park reserves the right to alter times on any given day for animal welfare or health issues. If this is the case, then we will try to replace the activity with another similar event. Daily talks, feeding times and demonstrations last approximately 10 to 20 minutes. * There is an additional £2 charge for tickets to the Sea Lion Cove indoor sea lion demonstration. Tickets can be purchased at Junglies Gift Shop no. 28 on your map.

All animal walk-throughs in the Foot Safari are open from 10.45am and close 30 minutes prior to Park closing, except Farmyard Friends which closes one hour prior. The Dissscovery Zone is open from 10.45am to 3pm.
